**I. Discussion: Senior/Disabled License**

Paul Wilkes will discuss the Senior and Disabled License. The Senior and Disabled License is currently available at a 95% discount, provides all of the privileges of a Sportsman's license, and has not been raised since 1999. An online survey of Senior and Disabled license holders has just concluded and the results of the survey will be presented for discussion.

**I. Update: Current Recruit Class**

Captain Clark will give an update on the current 11 recruits and the status of the 2017 recruit class.
